CHALLENGE

THIS IS TO THANK THE SWAMINARAYAN SCHOOL FOR RAISING A WONDERFUL £1,326.54 FOR AGE CONCERN AND HELP THE AGED.

Your support is vital. Two and a half million people over 65 currently live in poverty and this number is growing. With your help we can champion the rights of older people, unlock the £5 billion worth of benefits that go unclaimed each year and remove the barrier that prevent older people leading active and fulfilled lives.

So a huge thank you for getting involved with numerous fundraising events this year at your school from Summer Fairs to Talent Shows, this shows true dedication to charity work and fundraising.
